**Van Patten-** Full swing- from driver to wedges- gain more distance and consistency by understanding your swing and cause and effect of the clubface and the flight of the ball

**McAlvanah-** Putting guru- crosshanded or conventional- long or short putting- gain more strokes to par by holing more putts, eliminating 3 putts and understanding how to SCORE!

**DEAL!!** - 6 lessons \$210: 2 lessons from each instructor. \*\* you may split the lessons with 1 other person and take 3 and 3. Lessons are between 30-45 minutes in length.
