Purchase a 10 pak of FUN ZONE Bracelets for kids that can't afford to go and we will make sure they get used properly.

For 2015 we are very excited to partner with Thomas Promise, Rotary Noon Club of Zephyrhills and the East Pasco YMCA. All 3 groups are local Zephyrhills non-profit organizations set up to provide meals to underprivileged children, provide scholarships to high school students, maintain the SCOUT HUT at Shepard park which is used by over 12 youth organizations in town and provides daily youth programs including tutoring and athletics.

Thank you so much from all of our volunteers, charities and staff. This is what makes our community of Zephyrhills so unique and simply the most generous in the Tampa Bay area.
